WINE GROUP

2007
Piper Ranch
Chardonnay
Mendocino Ridge

Alcohol 14.5%
pH 3.40
T.A 6.8 grams/liter
50 cases produced

Mendocino's Piper Ranch is a 4,000-acre ranch historically dedicated to lumber, cattle, and sheep. Unique high-elevation vineyards -- not to mention rows of chestnuts and a cliff-top rope swing -- now sit atop Piper Ranch on the 2,000' Manchester Ridge, three miles inland from the Pacific Ocean. Unprotected from marine influence, Piper Ranch's cool climate yields the pure, uncommonly acidic grapes we source for our 2007 Talmage Chardonnay.

Hints of pineapple and orange blossom combine with a yeasty, bread-like quality. Complex citrus, a creamy, lemon custard mouthfeel, and a crisp finish are emphasized in this elegant wine.

We ferment our 2007 Talmage Chardonnay in new French oak. It is aged sur lie and bottled unfiltered, enhancing this wine's complex, yeasty flavor.

100% Chardonnay, Piper Ranch

Our label paper is 100% post-consumer stock and chlorine free. We use only soy-based inks with walnut-oil varnish.
