*alcohol* | 13.7%

*pH* | 3.77

*T.A.* | 5.8 GRAMS/LITER

*production* | 2500 CASES PRODUCED

Our Ukiah Cellars Cabernet Sauvignon is blended with small parts Zinfandel, Syrah and Viognier to produce a pleasant lighter-bodied wine that can be enjoyed on its own and paired with foods. Produced from a set of small vineyards in inland Mendocino County, Northern California, this fruit-forward wine with soft tannins is a great everyday wine.
